

LEAGUE Members,

You will be hearing more from me this week on all the media we have been seeing and hearing regarding Post Office closings, but today I just wanted to remind you that the deadline to save on Forum registration is January 31st. If you have not signed up yet, do so today.

Here are 10 reasons to come to Forum this year.

Number **ONE** reason - The Washington Post article has us in the same category as the **Maytag Repairman** - check it out here:

2. New location in the beautiful, newly renovated I Hyatt Regency Crystal City.
3. New time of year - weather should be nice, with possible cherry blossoms in bloom.
4. Free shuttle from the airport.
5. Shuttle every 15 minutes to the Crystal City Metro stop (same stop we have used for years).
6. Shortened agenda - fewer days mean less AL used and work still accomplished.
7. Stop the rumors and get the facts on Post Office closings and relocations.
8. Pep Rally Dinner instead of formal banquet on Wednesday - past years you spent up to 8 hours on the hill then had to get ready for a banquet.
9. Spend quality time with fellow Postmasters and catch up with old friends.
10. If this was not enough to convince you then please read this Wall Street Journal article

This alone should have your registering for Forum.
